

# 2009 CONCESSIONS VENDOR PRICE CHART

## OUTSIDE VENDOR

There are two categories of outside available rentals:

**SPACE RENTAL:** This is if you have your own tent or display. You will be assigned a location only. You will have one 110-volt/20 amp electric hookup. Must supply your own extension cord.

**TENT RENTAL:** If you would like us to supply the tent, you may rent one from us. All tents include sides and are provided with one 110-volt/20 amp electric outlet plus lights. Other sizes may be available - please call for price information if the size is not on the list.

The Fairgrounds have two groupings depending on location. The Premium Locations, Group A, is Main Street, which extends from the Outdoor Entertainment Area to the Carnival and Sussex County Road, which starts at the Information Booth and goes to Park Road. All other locations are Group B. Additional depth is available and is priced at \$2.00/square foot.

Please use this chart as a guide for your deposit; we will do all final calculations.
